Zak Perkerewicz
Knife River NW

Kevin Richardson
Lafarge North America

James Wells
Ash Grove Cement

On behalf of the EIC Committee, we would like to invite your company to be a sponsor for the upcoming Excellence in Concrete (EIC) Awards Program.

Please take a moment now to review and complete the enclosed sponsor form and return it by mail, fax, or email. *If you would just like us to invoice you, without filling out a form, call Lori at 503-588-2430.*

Platinum Sponsors may make early *reserve table* reservations. Note: If choosing this option, you may provide your attendee names at a later date.

In addition to industry exposure for your company, your sponsorship enables us to produce this program and charge **no entry fee for project submissions**. This ensures more entries get submitted, and allows greater project diversity from contributors in Oregon and SW Washington. Please help us continue this practice.

The 38th annual Excellence in Concrete Awards program will be held on Friday, April 27, 2018 at the Salem Convention Center.

You can find more information including the most recent program and sponsors online at www.ocapa.net/excellence-in-concrete.

If you have any questions, please give me a call.
