## Eastern Oregon Area Meeting

OCAPA's area meeting will cover a variety of topics providing information on Legislative, technical, environmental, and promotional issues affecting our industry.

*ALL* aggregate, concrete & industry supporting companies are invited to attend this meeting. This meeting intended to communicate critical information affecting your company / industry and to answer questions that you may have.

If you have not attended an area meeting in the past, OCAPA encourages you to start doing so in 2010.
