Washington Projects

2017 -1st Place - Tilt-Up Distribution  
Subaru at Gresham

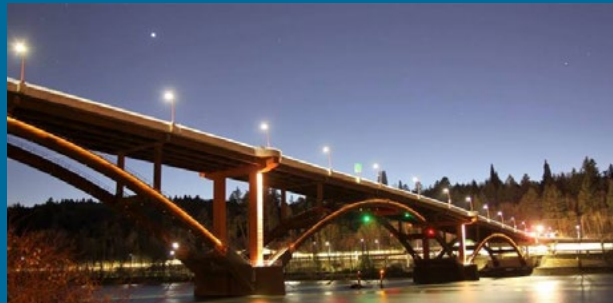

For the past 38 years, the Excellence in Concrete Awards Program (EIC) has showcased innovative and functional concrete applications used in our region's commercial, industrial, and residential projects.

The awards program recognizes the exemplary use of concrete in building design, construction and landscaping by architects, engineers, general contractors, and concrete producers.

We hope you will submit your projects for this year's competition.

**Deadline for  
Submissions:**

**Friday,  
January 26, 2018**

2017 1st Place Winner- Bridge - Sellwood Bridge

## Enter Now!

**There's no cost to submit an entry.**

Nominations will be accepted from any person or firm for projects using concrete within the state of Oregon or SW Washington - completed during the past two calendar years (January 2016 thru December 2017).

All projects will be judged by a panel composed of representatives from local professional and trade organizations. Completed entry forms, photos, and additional required information must be received by midnight on Friday, January 26, 2018.

**Mark Your Calendars! Awards presented Friday, April 27, 2018** at the Salem Convention Center. The awards banquet is open to the public, sponsors, and project contributors. Tickets available online in early March.

Download worksheets and submit projects online here:

Entries are now being accepted for the 38th Annual Excellence in Concrete Awards Program presented by the Oregon Concrete & Aggregate Producers Association and the Oregon Chapter of the American Concrete Institute. The awards program recognizes the exemplary use of concrete in building design, construction and landscaping by architects, engineers, general contractors and concrete producers.

**The awards banquet is Friday, April 27, 2018 at the Salem Conference Center.**

- o EIC Award Winning Venue
- o State of the Art Conference Center
- o Free Parking
- o Beautiful Rooms at the attached Grand Hotel
- o Top-rated catering and food

Nominations will be accepted from any person or firm for projects using concrete within the state of Oregon and SW Washington **completed** during the past two calendar years (January 2016 thru December 2017).

All projects will be judged by a panel composed of representatives from local professional and trade organizations. **Completed entry forms and additional required information must be received by Friday, January 26, 2018.**

All projects must be submitted online. Entries must include project narratives, technical data, project contributors, and 8-10 color photographs. Videos of the project will be accepted for possible use in showcasing finalist projects on awards night. Video will not be used for judging. Inquire for specifications if you want to submit video.

No renderings will be accepted. To enter a project for consideration, please carefully & completely read the Excellence in Concrete informational link on our website: [www.ocapa.net/excellence-in-concrete](http://www.ocapa.net/excellence-in-concrete). If you have additional questions, please contact Lori at OCAPA - 503-588-2430.

Thank you,

The Excellence in Concrete Award Committee
