

**Oregon Concrete
& Aggregate**
PRODUCERS ASSOCIATION

Excellence in Concrete Awards (EIC) Committee

- Purpose:** The EIC Awards recognize the exemplary use of concrete design and construction by architects, engineers, general contractors, and concrete producers. This committee develops the nomination criteria for the annual awards program and solicits projects for nomination. The committee works closely with OCAPA staff to develop the program theme and script. This program is considered the “Academy Awards” of the concrete industry.
- Structure:** Committee Co-Chairs representing OCAPA and OACI and at least 6 additional members split between cement companies and producer companies
- Meetings:** Meets approximately every other month until prior to the event when committee meets monthly
